The rate is \$18 for a 1/2-hour lesson. Payment structure and schedule will be set with the individual instructor. Issues of late payments will be addressed by the Worship Office. Please be prompt. Lessons cannot be extended to make up for late arrival. Students are to come prepared for their lesson, with any music and supplies needed. Teachers will give students a list of needed books and/or supplies at their first lesson. Make-up lessons are scheduled with the individual instructor. If you do not give the teacher 24-hours notice, the absence is considered a no-show and no make-up lesson is required. You are still responsible for that lesson fee. If your teacher is absent, a make-up lesson will be offered.

I have read and understand that this is a personal and financial commitment to the School of Music. I have read and understand the terms specified in this brochure.
